

Benjamin Franklin says:

"Let us preserve our reputation by performing our engagements; our credit by fulfilling our contracts; our friends by gratitude and kindness."

The Season of Holly & Happiness

IT is difficult at this season for the voice of a financial institution to be heard in the homes of its friends and customers above the general tumult of good wishes.

Nevertheless we cannot permit the moment to pass without offering a word of purely unfinancial greeting and gratitude, as well as our best wishes for a New Year laden with a cargo of happiness and prosperity.

We offer our facilities for serving your interest in a spirit of sincere co-operation.
